## The Purpose, Priorities, Vision and Aims of St. Pancras' Church

### Our purpose is to:

- Be bible-based, Jesus-centred and open to the work of the Spirit
- Help people wherever they live, to become fully devoted disciples of Jesus
- Serve the local area in which we are placed

### Our vision is to grow:

- Upwards, in worship and prayer
- Inwards, in our faith
- Outwards, through service and outreach

### Our priorities are to:

- Provide worship that helps people of all backgrounds meet with God
- Teach the Bible clearly and practically
- Keep prayer central to our lives
- Help children and young people grow in their understanding and faith
- Encourage adults to grow spiritually mature through membership of small groups through pastoral care
- Share Christ's love through caring service and outreach

### Our aims are that we should be:

- Regularly worshipping, reading the Bible and praying
- Encouraged in our faith through being a member of a small group where possible
- Using our gifts and abilities to serve the Lord in the Church, community and workplace
- Sharing the love of Jesus in action and word
- Financially supporting the Lord's work, by regular giving
